

# CARMEL CONVENT HIGH SCHOOL – CBSE

## Guidelines to Pay School Fee

- Parents are requested to pay the fee preferably by Cash by visiting the school.
- As keeping in the mind of cash availability and flexibility of parents school also accepts the fee by online methods like UPI(Phone Pay, Google Pay etc.), Net banking, debit cards of different banks.
- One humble request school is making with the parents, is that do not pay the school fee, transport fee or any other transactions related to the school with any type of **Credit Cards**, because banks are charging flat 1.2% + 18% GST on this (1.2%) charges on the school, which is a burden to the school management.

For Example, if a parent is making a payment of Rs. 30, 000/- by using the **Credit Card** the school management has to bear the banking charges of 1.2% on 30, 000/- that is Rs. 360/- and 18% GST on Rs. 360/- which makes Rs. 64.80/- that makes the total of **Rs. 424.80. per one Credit card transaction.**

- So, it is a humble request from School that please keep in mind all the above mentioned points and pay the school fee and transport fee of your child without using any type of **Credit Cards** at all and co-operate with the school management.
- Let's move on with the co-operation with one another (Parents and Management) and strive for the betterment of your child in this prestigious organization.
